

Things To Know About Boat Insurance

One of the most important thing to do when you buy a boat is to get it insured. There are many insurance coverage options available for boats. Here are a few things you should know about boat insurance;

It protects your boat from various disasters such as sinking, theft, collision, storm etc.

Always include physical damage coverage as it covers losses suffered to your boat & related property.

It usually covers two types of liabilities; personal liability & medical liability.

You can lower or get discount on your insurance prices by taking proper safety measures.

One can opt for “Actual Cash Value” or “Agreed Value” policy.

You would need additional coverage to cover your trailer.
