

CAR ACCIDENT

What Should You Do?

No one likes to think of being involved in a car accident, but it's better to be aware of what needs to be done if you find yourself in such a situation. Here are few things that you should do.

Never drive away from the accident scene, even if it's a minor one.

Contact the police and clearly state the entire incident.

Call The Police

Take Pictures

If your car has been damaged, click its photographs.

Call Insurance Agency

You should call the insurance company, no matter how small is the damage.

Exchange Information

Make sure to get the information (name, address and phone number) of the other driver.
