

# 10 Questions To Ask When Buying Renters Insurance

Renters insurance safeguards property of tenants against unexpected damages and also offers a liability coverage. Here is a list of questions that you must ask your agent before buying one.

**How much does my renters insurance cost?**

**What all will my insurance cover?**

**What perils are covered under my insurance policy?**

**What happens if someone gets hurt in my apartment?**

**Will the insurance apply if my stuff gets stolen outside the home?**

**Do I need extra insurance for flood, earthquake, and wind coverage?**

**How can I save money on renters insurance?**

**Is my pet covered under the insurance policy?**

**How should I decide my deductible?**

**Do I need extra protection for expensive pieces of jewelry?**
