

# Steps To Get

# CHEAP CAR INSURANCE

## Comparison Shopping

The best way to get the ideal car insurance is to compare plans offered by different carriers.

## Check For Discount

Before finalizing an insurance plan, make sure that you ask the insurer if you are eligible for any discount.

## Have A Good Driving Record

A poor driving history minimizes your chances of getting a cheap car insurance. Drive sensibly and you may get a good driver discount.

## Buy The Right Car

The type of car you buy plays a big role in getting lower insurance rates. Insurance companies offer discounts on cars with safety features.

## Skip Unnecessary Coverage

If you have an old car, don't include the collision and comprehensive coverage as it won't make sense to shell out for the two policies.

## Payments

Different payment options are offered by the insurers. Pay the premium of the insurance to keep the cost to minimum.
