

Must Have Coverage Options For Your Home

Purchasing a home is a big financial investment for many. So, it is essential to make sure that it is well protected and insured to safeguard it from any unforeseen event. Here we have listed certain coverage options that you must opt for as a part of your home insurance plan -

Cost For Rebuilding Your Home

Make sure that you have enough insurance to cover the entire cost of rebuilding your home in case of any unforeseen circumstance.

Personal Property Coverage

It covers your personal property and possessions. However, it is important to know the worth of your personal possessions before filing a claim in an event of loss.

Additional Living Expenses Coverage

When your home gets damaged due to any insured disaster, the policy covers living expenses incurred by you while your house is being repaired.

Personal Liability Coverage

This type of coverage protects you in case you're held legally liable for a damage caused to another person on your premises.
