

# Questions To Ask Your Insurance Provider

Buying insurance is important to feel secure when life throws unexpected situations. Ask these questions to your insurance provider to make an informed decision:

## How long have you been in the market?

Look for an experienced provider as he may know the market & offer better plans and credibility.

## What are the details of the plan that you are offering me?

Understand the type of plan and coverage limit thoroughly to make sure it matches your requirements.

## What is the process for filing claims?

Know the process of filing the claims, documents that may be required and the person to be contacted.

## Can you suggest the suitable deductible amount?

Deductible is the amount to be paid by you before the insurance company starts to pay; more the deductible, lower will be the premium.

## Do I qualify for any discount?

Most insurance providers offer different discounts. So ask if you qualify for one.
