

Understanding

Homeowner's Insurance

Homeowner's insurance helps you in protecting your home against financial losses in case of any covered peril.

Listed below are things to know about homeowner's insurance:

1

The insurance plan covers the cost of repairs for any damage caused to home or its attached structures.

2

As per the level of coverage, it covers replacement or repair of damaged or destroyed personal belongings like appliances.

3

If a damage to the property results in loss of use, the insurance pays for accommodation and other living expenses.

4

It covers the expenses, if the homeowner is found to be legally liable for an injury caused to someone on his property.

5

It provides coverage for medical expenses incurred to treat an injury, if someone is injured on the owner's property.
