

Why Do You Need Motorcycle Insurance

Motorcycle insurance is specifically designed to provide customers coverage for their two-wheeler according to their needs.

01

A motorcycle insurance protects you from financial loss in case of damage to your vehicle due to an accident or theft.

02

Insurance is needed to pay for liabilities that might result from injury caused to someone by your motorcycle.

03

Motorcycle insurance is needed to cover the medical expenses arising due to an injury caused to you in an accident.

04

A comprehensive coverage is required to cover repair or replacement costs in case motorcycle is damaged due to reasons other than collision.

05

Depending on the plan opted, insurance coverage also ensures replacement of unique accessories and parts in the events of motorcycle accident.
