

Home Insurance Coverage Checklist

It is necessary to invest in a good home insurance plan to protect yourself and your home.
Create a checklist to ensure that you have adequate home insurance coverage.

There should be sufficient coverage to repair your home or pay for dwelling in case of fire or other major disaster.

Any damage caused to the structures attached to your house like a garage etc. should be covered under the insurance plan.

In case of loss of use of property due to damage or repairs, the coverage should pay for the owner's additional living expenses.

Home insurance plan should cover personal items such as furniture etc. in case they are destroyed or damaged.

Get insurance plan that covers losses caused by fire and lightening, accidents, thefts, vandalism, riots and windstorms.
