

# How To Claim An Insurance?

## Claiming insurance is a stepwise process:

**01**

Inform the insurance provider or assigned point of contact as soon as an incident occurs.

**02**

The insurance provider will appoint a surveyor to inspect and verify the damage.

**03**

Provide required documentation as requested by the surveyor.

**04**

Fill the insurance claims form, if and as provided by the insurance provider.

**05**

Make sure to provide correct details as incorrect information may lead to decline of claim.
